

Have Mercy on Me, O My God (Psalm 51)

Have mercy on me, O my God,
According to Your grace;
According to Your tender love,
Blot out transgressions great;
For I acknowledge all my sin,
Before my face they stand;
Against You only have I sinned,
There's evil on my hands.

O purge me now and I'll be clean,
As clean and white as snow;
O wash me in the blood of Christ,
Make me Your gladness know;
Create in me a clean heart, Lord,
Renew me thoroughly.
Restore salvation's joy again,
Uphold me tenderly.
